

It's up to the public to support public education!

Money raised through the Alameda Education Foundation funds school programs that would be unavailable to our children because of inadequate funding from the State of California. At AEF we believe that every child should be given every opportunity to reach their full potential - in music, art, sports, technology, innovation and more. Your support makes THE difference between an adequate education and an excellent one.

**Yes! I want to Step Up
and support the Alameda Education Foundation!**

- Sponsor \$1000 and up
- Dollar-a-day Partner \$365
- Other Amount \$ _____
