AEF MAKES A DIFFERENCE BECAUSE OF YOU…

During the 2009-2010 school year, your support of AEF enabled…

… 350 Middle school student athletes to participate in Volleyball, Basketball and Track & Field through **AEF's Middle School Sports** program

…Over 1800 elementary school students to experience programs including Spanish, Karate, Drama, Dance and more as part of **AEF's After-School Enrichment** program

… **Scholarships** that enabled more students to participate in AEF Enrichment programs

… **Music Scholarships** to graduating seniors from the Emil Miland Music Scholarship Fund

… 47 classrooms at 14 school sites to benefit from classroom adoptions that provided supplies, field trips, speakers and innovative programs through **AEF's Adopt-a-Classroom** program

… Over **$8,000 in grants** to be awarded supporting drama productions, student intervention support, science experiments, band competitions, safe high school graduation nights and many more worthy programs benefiting thousands of Alameda students

… Donated school and classroom supplies to be available to all Alameda public school teachers via the **AEF Free Teacher Supply Store.** Over $10,000 in materials were used in Alameda schools.

During the 2010-2011 school year, AEF will also step it up. In addition to continuing the core programs from 2009-2010, with your help AEF will provide additional support for art, music, drama, sports, technology, and other essential programming, including:

- School Supply Drive for Alameda's neediest students
- Instrument replacement and repair and music purchasing to support middle and high school music programs
- Providing art materials to support Art Docent programs
- Supporting the high school drama departments with production, script and rights costs
- Additional grant distribution in science, technology and more.

Please join us in Supporting Student Success and helping our schools thrive.
