

Join Alameda Municipal Power (AMP) and the Alameda Education Foundation (AEF) to support Alameda Schools through your monthly AMP bill.

Simply designate a monthly amount to be donated from your monthly AMP power bill. All donations support teacher mini-grants, which are used for science fairs, assemblies, purchasing needed resources, and other classroom projects that directly impact student learning.

To participate in Power Up 4 Learning, simply fill out the Power Up 4 Learning form below, fold, insert a stamp and mail to AEF at P. O. Box 1363, Alameda, CA 94501 or fax the completed and signed form to AEF at 510.748.4706.

YES! I will help Alameda students Power Up 4 Learning!

I agree to donate: \$15 \$10 \$5 other \$_____ per month on my AMP bill to help support public education in Alameda schools. AMP will collect these donations and provide them to the Alameda Education Foundation to support AEF's Teacher Mini-Grant Program* in Alameda public schools.

I understand that enrollment in this program is voluntary. Participation does not change my existing AMP service, and these charges will be added to my monthly electric bill until such time as I notify AMP that I no longer wish to participate in this program. Enrollments, changes, and deletions will be effective the next billing period. AMP shall not be held liable for refunds in the event that AEF elects not to continue this program. I understand that AMP and AEF will share my information in order to process my participation.

PLEASE PRINT CLEARLY:
