Alameda is known for its strong public schools, and the Alameda Education Foundation (AEF) is a major reason why. Since 1982, AEF has been engaging the community, raising funds and coordinating programs to support and enhance the quality of K-12 public education in Alameda.

AEF programs support the academic, athletic, creative, and social growth of Alameda's over 10,000 public school students. We believe every child in Alameda has a right to quality educational opportunities and that thriving schools are essential for a strong community today, and a promising future tomorrow.

When you give to the Alameda Education Foundation, you contribute to educational opportunities for all Alameda students and help make our Alameda community a better place to live, work and learn.

## Adopt A Classroom

Adopt A Classroom provides \$500 donations directly to teachers who use the funds to help transform their classrooms into vibrant learning centers. One hundred percent of each \$500 donation goes to the teacher.

## Enrichment

Enrichment classes and camps provide opportunities for students to explore a wide array of subjects and develop new interests and passions through high quality programs in a variety of areas such as the arts, music, foreign languages, science, technology, athletics and much more.
