Supporting Student Success

Since 1982, AEF has supported educational excellence in Alameda public schools by promoting educational opportunities, innovation, and equity for Alameda K-12 public school students.

Filling the Gap

California ranks among the lowest in the nation in public school funding, leaving districts struggling to meet basic educational needs. But AEF fills that gap by providing programs and support that enrich learning opportunities for Alameda students, such as:

❖ After school classes and summer camps in everything from the arts and foreign languages to science and technology.
❖ Year-round organized sports league for middle school students.
❖ Visual and Performing Arts assemblies and exhibitions for K - 12 students.
❖ Backpacks and school supplies for low-income students.
❖ College prep programs for high school students.
❖ Grants for Alameda teachers.
❖ Financial support for city wide Robotics program.

❖ 470 Enrichment Classes and Camps supporting 2,700 student participants and 40 student interns.
❖ 666 middle school student-athletes participating in Middle School Sports.
❖ 1,170 pieces of student art displayed at 10 venues through Art Across the Island.
❖ 192 teachers provided with $500 grants equaling $96,000 into classrooms through Adopt A Classroom.
❖ 800 low-income students provided with new backpacks and school supplies with Equipped 4 Success support.
❖ 76 students prepared for college admissions with ACT and SAT prep courses through AEF College Prep Academy.
❖ 5 robotics kits, 5 chrome books 2 computers and marketing support for AUSD technology education.
Making a difference

“My daughter has learned to challenge herself, set goals, come out of her comfort zone, and work hard towards a set goal.”

~ Enrichment class parent

“You put together a plan to help my son get his grades up so he could participate in Middle School Sports. He went from under a 2.0 to a 3.0 and kept his grades up. Thank you for helping him learn a valuable life lesson that I, his dad, could not teach him on my own.”

~ Middle school sports parent

“The help (from Equipped 4 Success) financially speaking is enormous. It is a great relief that this program exists for the support of struggling families like mine.”

~ Parent

“It was wonderful for my students to go to the library and see their work on display. What a wonderful growth experience for them.”

~ AUSD art teacher

“I learned a lot of new information that I think everyone should be able to know. The instructors are amazing and it is not a typical SAT prep course.”

~ AUSD high school student

“Your program is a "God-send" for me. Without the donation, I would have had to drop a fundamental tool that students use and rely on to learn.”

~ High School Adopt A Classroom teacher
